Support me on Ko-fi

As a workshop facilitator, I am committed to opening up writing opportunities to people from all backgrounds based on ability to write rather than ability to pay. However, it is becoming increasingly difficult to finance pay-what-you-can and free spots exclusively from my own pocket. So, if you've downloaded this resource and are in a position to support narrowing the access gap to creative writing opportunities, I would be very grateful if you would consider buying me a virtual coffee\*.

*\*Any money donated to my [Ko-fi page](#) will be used to fund free and reduced-price places for my Write Beyond The Lightbulb courses, as well as to provide free editing and mentoring opportunities for low-income writers, and to support other opportunities that seek to level the playing field.*
